TC BS001-01	Spare Wing Nut for TC BS001
TC BS001-02	Spare Plastic Quick Release Lever for TC BS001
TC BS001-03	Spare Plastic Corner Cap for TC BS001
TC BS001-04	Spare Plastic Tool Tray for TC BS001

Tork Craft's new bicycle repair stand is packed with features you would expect to find in a stand priced three times more expensive. When folded up it can neatly store away anywhere, even in a small car boot, so you are even able to take it with you to a race. It has a work height adjustment between 110cm and 190cm so is perfect for kids or even the tallest of men. A stable design with 4 support legs allows a maximum weight of up to 30kg's. The practical fast clamping and adjusting design allows for both standard and oversize tubing so virtually any bike frame will fit the repair stand. There is also a magnetic parts tray which keeps all your little pieces and tools in place whilst you work on your bike. It also features a unique handle bar stabiliser to keep your front wheel steady and out of the way whilst working.

* Bike not included
